& Operating Fund

Building Campaign Pledge Agreement

I am excited to become a partner in saving the Tarr Mansion as a perfect example of Oil Region and Crawford County history and converting it into a permanent headquarters for the Crawford County Historical Society by making my pledge towards its purchase and restoration.

Although full payment of my pledge would be most helpful, I understand it can be paid in installments for up to three years and that the payment amount may vary from year to year.

I understand this pledge will not be activated unless the Crawford County Historical Society agrees to purchase the Tarr Mansion. I will be provided a copy of their minutes stating such to activate my pledge. I also understand my contribution will be used to purchase, restore, and begin operations in this building.

I hereby offer my pledge amount for the Tarr Mansion Campaign as \$ _____, payable over _____ years.

Percentage paid for:
Year 1 _____, Year 2 _____, Year 3 _____.
